The 1953

Whitehall

Published by the Senior Class

Whitehall Junior-Senior High School

Hokendauqua, Pennsylvania

Dedication

To Our Parents

Alma Mater

The youth that from his mother's home goes forth to Whitehall High,
Can ne'er be said to wildly roam, or fade in clouds well nigh;
So let us now the truth bestow, and here our altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

When poverty ensnares the home, poor girls will sob and weep,
Or, if their strength won't let them come, they'll soon in silence sleep;
And, so, with love and sacrifice, to her let's altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

Her graduates are strong and firm, and build both hearth and home;
Her sons and daughters will each term back to her altars roam,
And there will bend and bow and pray, until a shrine they raise,
And their dear Alma Mater praise, their Alma Mater praise.

—Heilman

(Tune: "Drink To Me Only With Thine Eyes")

Foreword

"Many things Nokomis taught him."
from "Hiawatha's Childhood"
by H. W. Longfellow

Many years ago there lived a brave young chief of the Iroquois Indians whose name was Hiawatha. He was a wise man and stressed the arts of peace. He taught his red brothers to make canoes, to raise corn, and to write by means of pictures. But he accomplished another great deed — he united five of the Iroquois tribes and made them the strongest of the Indian nations. As a group they were known as the League of Five Nations.

Hokendauqua, an Indian name meaning "Seek," is a village in the approximate center of the five wards, which like the five tribes, make up our League or Township. Here is situated the "wigwam of learning," which like Nokomis, protects, leads, and counsels the braves and maidens who come to her seeking knowledge.

The foundation stones of the League were said to be: Health, Happiness, Righteousness, Justice, Power, and Strength of Character; and after many years these ideals developed into traits of character of the members of the League, who in turn came to be regarded as the chief tribes of the East.

Some Indians, especially Hiawatha, were known for their remarkably good humor, generosity, intelligence, and honesty. Many, too, like Hiawatha, showed a great talent for poetry, oratory, and political organization. Still others, unlike Hiawatha, were savages of the lowest order.

"Perhaps we, White Brothers, will learn a lesson from the strength of this people that will stand us in good stead in the years to come. Perhaps we will learn a lesson from his tragedy — the loss of his lands, his families, his freedom, and the respect he once enjoyed. For his strength lay in the social and religious patterns which taught the sacredness of the individual and his importance to the life of the tribe. His tragedy was a result of his inability to lay aside his local prejudices, his local gods, his local sovereignty, and to join hands with those who might have been his allies in the time of crisis."

We, the class of 1953, believe we exemplify the spirit of unity and oneness of the Indian nation, coupled with those attributes that enable his white brothers to supplant him in his home land. We are thankful that here, at this our wigwam, we have been taught those things which are inherently sought after by all who obey the Great Spirit regardless of their color: Health, Happiness, Righteousness, Justice, Power, and Strength of Character. Having found them, we will strive to use them as we walk the "Trail of Life."

From the red deer's hide Nokomis
Made a cloak for Hiawatha,
From the red deer's flesh Nokomis
Made a banquet in his honor.
All the village came and feasted,
All the guests praised Hiawatha,
Called him Strong-Heart, Soan-ge-taha!
Called him Loon-Heart, Mahn-go-taysee!

Chiefs

One of the Iroquois prayers is not only Christian in feeling but is astonishingly like the "Hymn in Praise of All Created Things." -- ---

Iroquois Prayer

Hail! Hail! Hail! Thou who has created all things, who rulest all things, listen to our words . . . Give to the keepers of the faith wisdom to execute properly thy command. . .

We return thanks to our Mother, the earth, which sustains us, that she has caused to yield so plentifully of her fruit. . .

We return thanks to all the herbs and plants of the earth; We thank them for giving us strength to preserve our bodies in health and for curing us of the diseases inflicted upon us by evil spirits.

We return thanks to the Three Sisters, the main sustainers of our lives.

We return thanks to the bushes and the trees; we thank the winds which banish disease as they move.

We thank the thunderbirds who give us happiness and comfort by having the rain descend on the earth, causing all plants to grow.

We thank the moon and the stars and the sun. May the latter never hide his face from us in shame and leave us in darkness. . .

Joseph Foran, Vice-President; Andrew Gossick, Treasurer; Robert Steckel, Leon Nickel, President; Gerald Gruver, Secretary; Royce Haines, Harold Worman.

Board of Education

The Board of Education of Whitehall Township consists of able men who are willing to devote their time in the betterment of conditions of our school system. During our years at Whitehall, these men have given their approval to many important questions involving both the students and the faculty.

Present on the board this year are five members who were responsible for formulating plans for the construction of the addition completed in 1948, and for our school being evaluated by the Middle Atlantic States Association of which we are now a member.

Because of overcrowded conditions the board has devoted much time this year to studying the problems involved in the building of a new high school and conversion of the present Junior-Senior High School building to a Junior High School. We hope that this may be accomplished in the near future.

We, the Class of 1953, are deeply indebted to these men for their services so well rendered and hope that they will continue their efforts throughout the years to come.

CLARENCE M. GOCKLEY
Superintendent

Whitehall is indeed proud to have at its head Clarence M. Gockley, who first as a teacher and coach and now superintendent, has never lost the common touch. Busy though he be, Mr. Gockley never fails to impress the students with his geniality. Now in his thirty-third year at Whitehall, he is a favorite with students and faculty alike.

Through his continued perseverance our school system has been keeping pace with the educational demands that are constantly being made. We hope that each new year will bring greater success to Mr. Gockley in his supervision of the Whitehall schools.

NORMA ARNER
Secretary to the Superintendent

GEORGE D. STECKEL
Principal

"Character is the cornerstone of all success." This well-known quotation can appropriately be applied to George D. Steckel as a student, teacher, and principal of the Whitehall Junior-Senior High School.

He was graduated from Whitehall with the class of 1926 and returned in 1930 as a teacher. He served in that capacity until 1944 when he joined the U.S.N.R. After Mr. Steckel's discharge from the service he secured a position at Gettysburg College and remained there until his return to Whitehall in 1950 as principal.

A fair and sympathetic understanding of student problems, a deep understanding of human nature, and administrative ability are some of the qualities which make Whitehall students respect their principal.

Class Motto
Co-operation means graduation.

Just a few years ago we were going through the "orientation" process of meeting many classmates for the first time, and of being introduced to members of the school staff and faculty.

We pursued knowledge and developed skills, we achieved a well-rounded background for future accomplishments by participating in extracurricular activities, and we engaged in sports that instilled in us the principles of fair play which we will not forget.

Now we have reached a very important milestone in our lives — graduation from high school. Although we may leave the school of learning, we will continue to learn the rest of our lives.

As we leave our Alma Mater, let us confer upon the oncoming class a challenge for the future so that they, too, may be prepared for it, as we are, in body, mind, and soul.

Marjorie I. Lazarus

Adviser

Appreciation

The Class of 1953 is deeply indebted to Miss Marjorie Lazarus for her splendid supervision and endless assistance which she has bestowed on our class.

May each of us, as we leave the halls of our school, remember our class adviser with deep respect and gratitude. We trust that in memory we will never be parted.

Senior Staff

In an attempt to record the accomplishments, the joys, the laughter, the carefree hours of our school life the Whitehall Staff worked together for many hours. Thinking back, it is hard to believe that in September the '53 edition was only a few pieces of scrap paper, sketches, ideas, and much enthusiasm. From these came a carefully measured out dummy, a tentative picture schedule, and an efficient plan to take care of our financial problems.

We, the Whitehall Staff, will have been successful if our classmates, in future years, can turn the pages of this book and relive the treasured moments spent at Whitehall.

Beverly Schuler
Editor-in-chief

Junior Staff

These juniors have been preparing themselves for next year's Whitehall by assisting the senior staff whenever possible.

Hi-Lites

Page Editors: Ruth Kahn, Conrad Weiser, Betty Bower, Marie Jendricks.

The student newspaper is firmly woven into the fabric of American school life, for the paper has a high educational value to the staff members and the student readers. The students who work on the staff are provided with the opportunity for self-expression and an outlet for their journalistic efforts. For the readers, the Hi-Lites reports the news of the school, presents the ideas of the pupils, and attempts to provide realistic solutions for the problems of the school.

In appearance, the Hi-Lites is very different from the issues of previous years. Prior to this year it had been a mimeographed sheet, while this year it is a printed four-page monthly edition. In the course of the year, many provocative topics caused considerable comment; but no newspaper is in complete agreement at all times with all the persons it represents. Despite certain criticisms, we feel that our newspaper is a symbol of the Freedom of the Press.

Hi-Lites Staff

FOURTH ROW: Virginia Vaughn, Richard Keiser, Donald Buss, Thomas Lukish, Robert Oswald, David Kratzer, Neil Zimmerman.

Student Council

James Coombe, Treasurer; Buddy Edwards, President; Marianne Wasko, Secretary; Thomas Lukish, Vice-President.

The Student Council is a very important organization of any school. Through it the elected delegates are given an opportunity to participate in student government. Its purpose in functioning is to receive, discuss, and try to solve problems concerning the students. Not only the members of the Council participate, but also those who are placed on the various commissions connected with the Council. This brings about student leadership and the acceptance of responsibility.

Ordinarily the meetings, held regularly every week were conducted with dispatch. Sometimes the debates were sharp, but the issues were fairly decided. Recently Student Council has taken over the planning of assembly programs. It also sponsors the annual College Tea and assists in the Career Conferences held biennially.

Each year the Council sends delegates to represent it at various Tri-County, State, and National conventions. There the students exchange ideas and discover new methods of coping with student problems.

Senior High Clubs

Art

Many opportunities are open to the students who have selected the Art Club which offers so many varied interests. With the Fine Arts we find oil, frescol, flexola, watercolor, pastels, and charcoal. Any of these media can be used to create studies in still life, portraits, figure drawing, and landcsapes. Cartooning, lettering, poster designing, pen and brush drawings, sketching, interior decoration, and costume designing compose the field of Commercial Art. The students also pursue many phases of craft work which includes ceramics, woodcarving, block printing, batiking, etching, raffia, weaving, and finger painting.

Ann with a brush, Anita at the loom, and Ruth and Eugene working with clay present a typical scene in the art room.

Debate

This club is a member of the Lehigh Valley Debating Association whose first activity for the year was a preliminary "scrambled" debate at Slatington on the question, Resolved: "That the Voting Age Should be Lowered to Eighteen."

In February this group was host to the Association for the first inter-school meet on the National Scholastic debate topic, Resolved: "That the Atlantic Pact Nations Should Form a Federal Union."

Closing events of the year were a "scrambled" debate and dinner at Parkland, and a semi-formal dinner dance at Catasauqua.

That sounds like a good point, Wilburl And Nancy, Jane, Betty, and Marie agree.

Dramatics

If any visitor peeked in Room 211 during club period, he saw a group of "eager beavers" doing any one of several things — acting out a one act play, writing dialogues, displaying to their fellow members the puppets they made, or changing a pretty girl's face into that of some grotesque form.

Under the supervision of Mr. McAdam these were the general activities members of the Dramatic Club enjoyed during the year.

Shall we try a light comedy or the drama?

Future Homemakers of America

"Toward New Horizons" — the motto of the Future Homemakers of America expresses the purpose of the organization — learning to live better today in order that our lives and those of our families may be better tomorrow.

Members of the Whitehall chapter attempt to promote an appreciation of the joys and satisfaction of homemaking; to emphasize the importance of the home, and to further interest in home economics.

This year the club was host to the Eastern District Conference of the Future Homemakers of America. Approximately four hundred girls from seventeen schools participated in the affair.

If the food tastes as good as the cooks look, we're afraid the scales will soon be soaring high!

Tri-Hi-Y

To create, maintain, and extend throughout the school and community high standards of Christian character — this is the purpose of the Tri-Hi-Y Club.

This club has accomplished much in serving its school and community. The members, with the aid of Miss Diefenderfer, have made necessary repairs to the Bibles in each home room and have purchased new ones when needed. Before holidays members contribute a variety of food that is then attractively packed and given to some needy family.

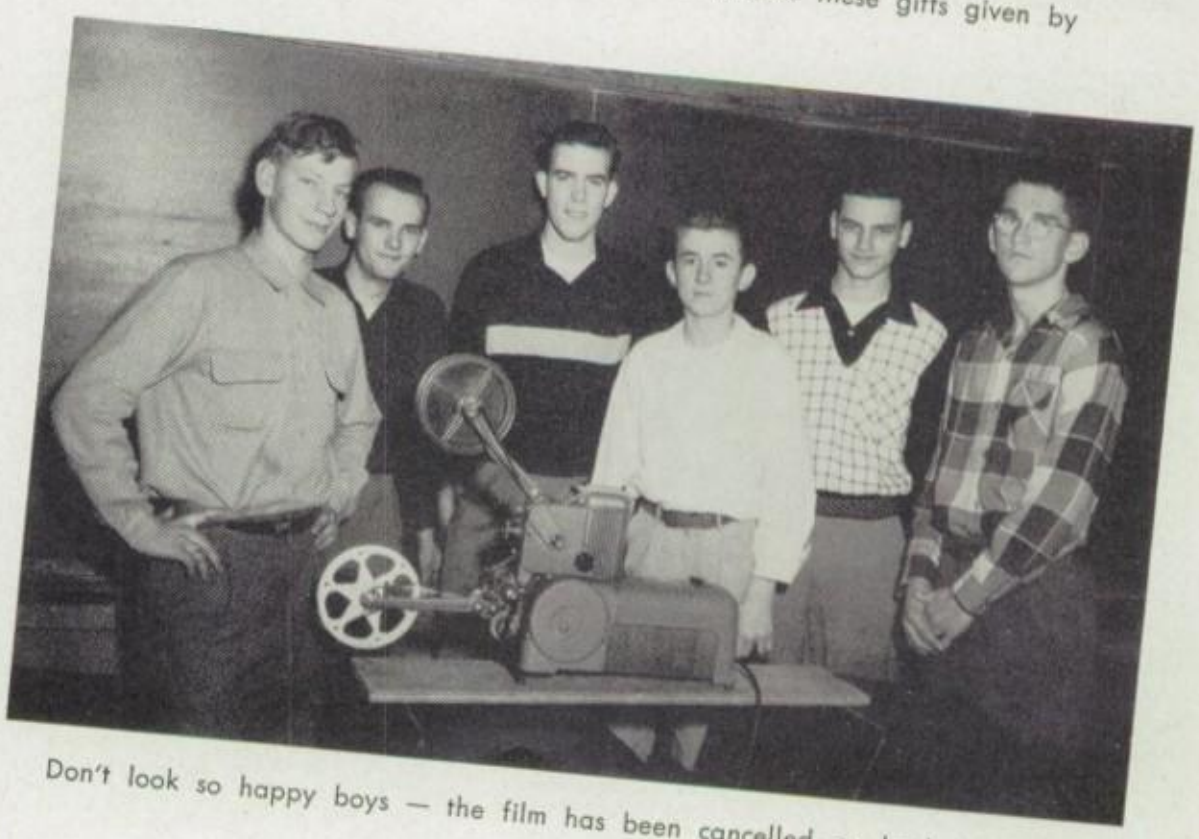
The members of this club truly adhere to the principles of their organization.

Imagine the joy in the hearts of those who will receive these gifts given by members of the club.

Visual Education

Many hours were spent by these boys in learning the operation of the slide, sound, and filmstrip projectors and the correct way to splice torn film. Working in small groups they concentrated on one type of projector until they knew its operation thoroughly and then proceeded to a new type.

After receiving the necessary training these boys assisted in many ways by operating the machines for certain assembly programs, assisting speakers who brought films with them as a supplement to their talks, and by running the projectors for any teachers in classroom work.



Don't look so happy boys — the film has been cancelled, so back to class.

CAMERA SHY: Mrs. Schaadt, Adviser.

Artistic Typing

Artistic typing may mean anything from simple cover designs to the most elaborate scenes or portraits. It is an interesting subject and has many educational benefits, some of which are: Teaches more expert use of machine parts; creates a desire to run out neater work; fosters interest in student hobbies; relieves the monotony of drill work and gives recognition to reasonably good typists who lack the necessary speed for contests.

Lettering and various designs such as simple border, corner, and cut-outs have been some of the accomplishments of the members of the club.

We're sure any boss will welcome smiles as pretty as these.

Draftsman

In the early part of the year members concerned themselves with the rules or customs relative to the standards of mechanical drawing.

Eventually each member chose a project dealing with mechanical, sheet-metal, architectural, or structural drafting.

To develop the power of visualization; to learn how to read and write the language of industries, and to acquire modern commercial practice in making working drawings were some of the purposes of this club.

We don't know about Mr. Bartholomew, but the boys think Robert deserves an A.

Future Teachers of America

The future of mankind is in the youth of today. Upon this important fact is based the organization of the Future Teachers of America. It offers young people activities through which they can improve themselves and look forward to useful careers in the teaching profession.

The FTA seeks to encourage young people to cultivate in themselves the qualities of personality and character which are the foundations of successful teaching, and to provide young people with specific information about opportunities in the various fields of education.

Prospective teachers of the future — register now in Miss Frey's office for some refresher courses.

CAMERA SHY: Mr. Hess, Adviser.

Hi-Y

Molding Christian character — this is the Hi-Y, a very small but important organization of our school.

These boys, under the guidance of Mr. Kovacs render their services whenever they are needed. This year they resumed the responsibility of decorating our auditorium for Christmas.

During the year they participated in various "Teen Talks," and took part in a basketball tournament held at the Y.M.C.A. Several field trips were also planned.

This club is looking forward to increased membership and activity in the future.

Just a few more details and the plans will be complete for a beautifully decorated auditorium.

Mathematics

Interesting aspects of mathematics which do not constitute an integral phase of regular classes is usually on the agenda of the Mathematics Club. Members are also instrumental in assisting any students who need additional help in mathematics outside the classroom.

The club sponsored several fund-raising projects to purchase some equipment. They also formulated a plan to finance the purchase of a good transit level.

When weather permitted, members could be seen on the athletic field learning a few fundamentals of surveying.

Checking on Einstein these master minds just agreed that $E = MC^2$

Mental Hygiene

This new club was organized for the purpose of studying the personality and behavior of people to determine the reasoning behind their personalities and behavior types.

The club's program was based on a group of films from which a set of basic rules concerning mental health was developed.

Members visited the Allentown State Hospital to learn more about mental illness and its prevention.

The major project of the year was the writing of a series of three articles on mental hygiene that appeared in the Hi-Lites.

A field trip provides these girls with the much envied excuse for missing a few classes.

CAMERA SHY: Miss Lazarus, Adviser.

National Honor Society

The basic qualifications for membership in a high-school honor society are Character, Scholarship, Leadership, and Service. Members believe in character as the foundation of life; scholarship as a means to achievement; leadership as an aid to progress, and service as the object and end of living.

National Honor Society members are very proud of their organization for those who are chosen and inducted into the society are members not only for the time they are students but for life.

Books, maps, and brains. No wonder they're called Whitehall's "cream of the crop."

Physical Science

These potential young scientists under the guidance of Mr. Eberhart have had a busy and interesting year. Of utmost importance was the preparation for the seventh annual Lehigh Valley Science Fair.

The club aims to encourage greater interest in scientific study and research, and to give the student an opportunity to express his ideas in a project of his own creation.

Through this club the student will be able to supplement his classroom work and help make his science course an adventure.

No one seems concerned that there's a photographer in the laboratory.

Plastics

With the coming of the plastic age a new field was opened to the hobbyist, and for those interested the Plastic Club was organized. Club members are mainly interested in internal carvings.

Internal carving is an art, a hobby and a pleasure. Every carving you make is an original, one's own creation. Actually the carvings are three-dimensional reproductions of the real object but carved in reverse.

Club members have made various items for themselves, gifts for friends, or turned this hobby into a profitable enterprise.

A blonde and a redhead and Wayne's still concentrating on plastic!

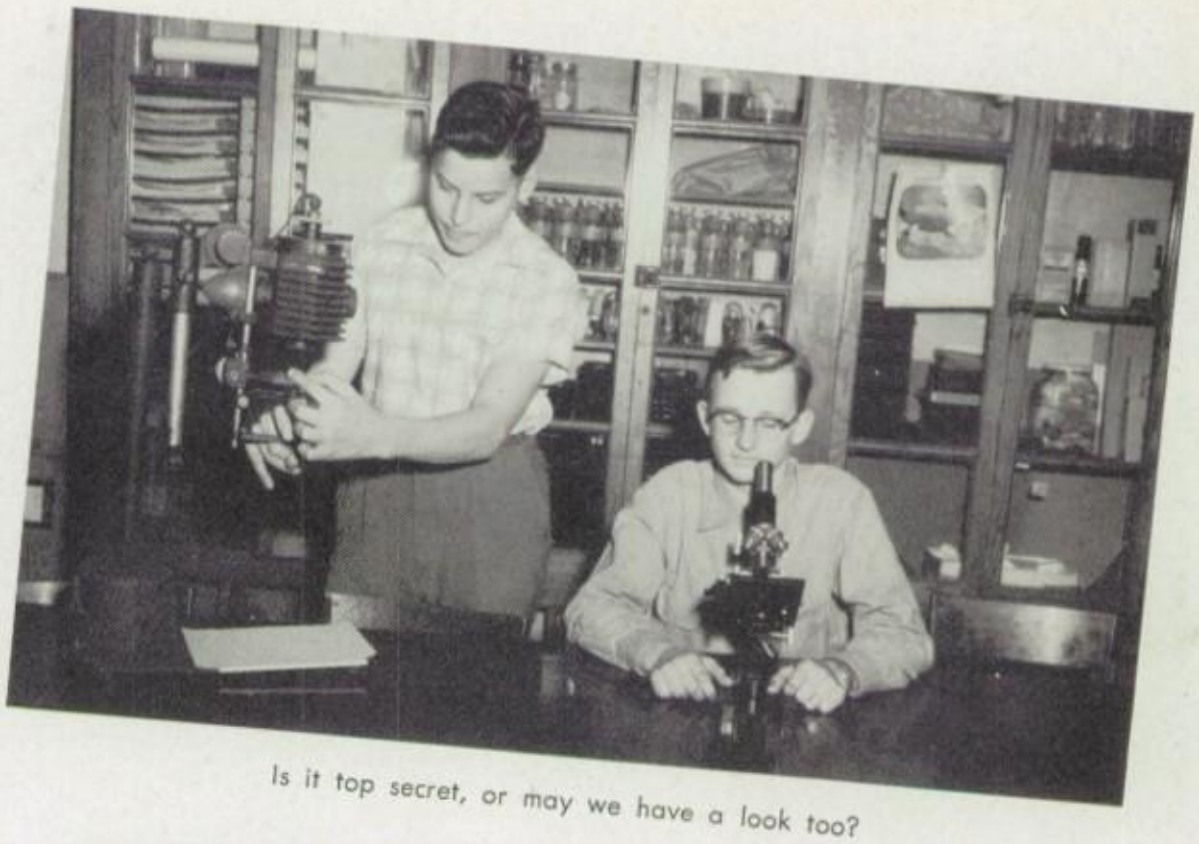
Science Talent Search

The Science Talent Search Club has been organized for the express purpose of presenting to interested students an opportunity to engage in advanced scientific studies and activities.

At the present time three members are each working on their own research problem. Upon successful completion of the problems they will present their theses before the Pennsylvania Junior Academy of Science and to the Westinghouse Science Talent Search in competition for scholarships.



Is it top secret, or may we have a look too?

Stagecraft

Gaining practical experience for the future is what the members of the Stagecraft Club achieved while rendering many services to the school.

All members pursued the Industrial Arts course which was essential for the many projects they undertook this year.

This energetic group designed and built scenery for the class plays; prepared the stage for band and choral concerts, assemblies and lyceum programs, and the Candlelight Service. It was always prepared to meet any emergencies of stage maintenance.

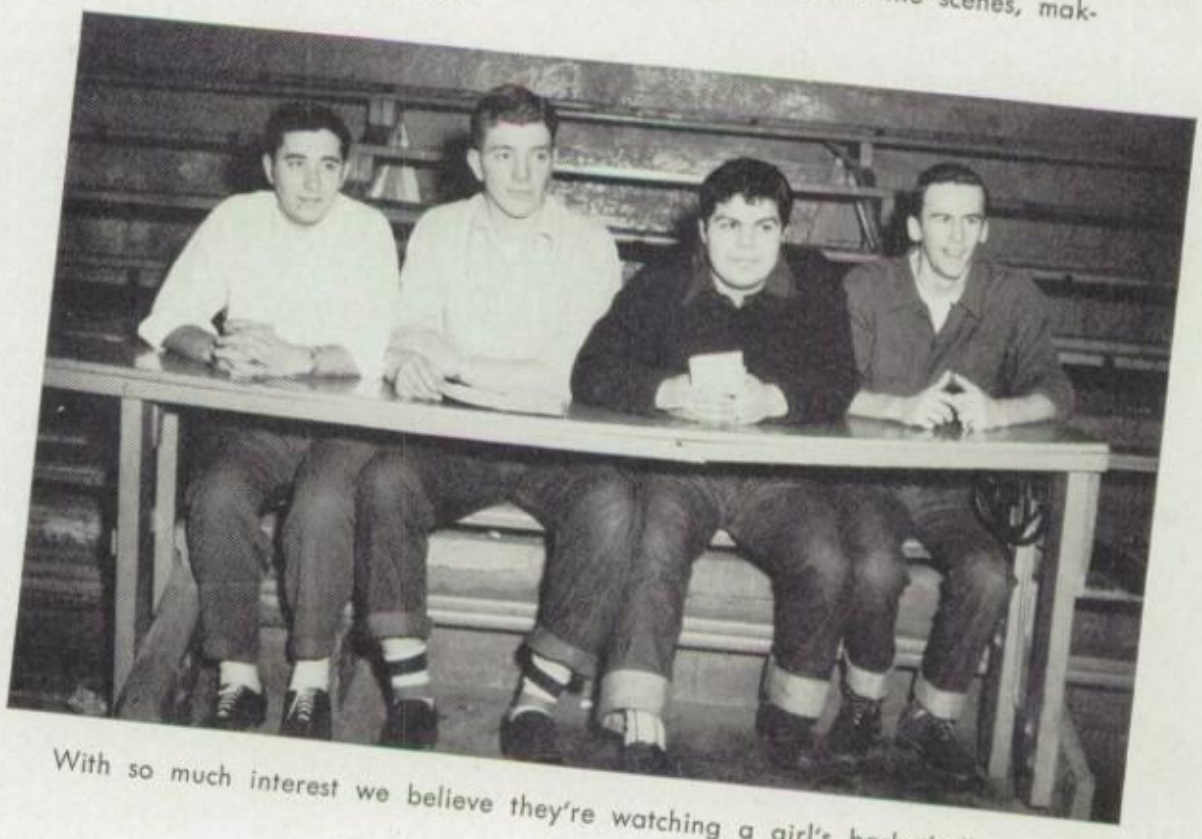
Look who's in the "limelight" now — they're usually behind the scenes, making an artificial world for others.

Varsity "W"

Membership to the Varsity "W" Club is restricted to those boys who have been awarded a varsity letter in any of the major sports. The club is sponsored by Mr. Steckel and Mr. Piff.

To purchase jackets for the seniors, the club members sold booster pins and pencils; sponsored games between the Whitehall faculty and the faculty of neighboring schools, and had charge of the refreshment stand at all home basketball games.

This group of athletes has done a great deal to advertise Whitehall favorably with its sportsmanlike conduct as players or spectators.



With so much interest we believe they're watching a girl's basketball game.

FOURTH ROW: Mary Cowitch, Dolores Cope, Barbara Long, Penelope Reimer, Patricia Balascki, Rebecca Ohl, Nancy Saylor, Betty Enright, Ruth Koch.

Affiliated Organizations

The ALUMNI VARSITY "W" CLUB was organized in the fall of 1953. Its purpose is to create a more active interest in athletics at Whitehall; to promote good fellowship and sportsmanship among the alumni; to reestablish and maintain the school spirit enjoyed as underclassmen. Since its inception the school club has undertaken several projects. One was the presentation of the Varsity "W" Most Valuable Football Player Trophy. Recipient of the First Annual trophy was William Lucci. Another is the presentation of cash awards to the most outstanding senior girl and boy athletes.

The ATHLETIC COUNCIL consists of three members of the Board of Education, the Superintendent, the High School Principal, the Coaches, the Faculty Manager, an Alumnus, and five additional members of the faculty. The Council is entrusted with the job of supervising the management and promotion of the Whitehall interscholastic sports program. It sponsors four major sports—football, basketball, baseball, and track— the minor sports include football and basketball. Basketball and baseball are the sports provided for the girls who wish to take part in athletics.

The BAND CLUB was organized in 1940. Mrs. Ellen Deily, who played an important part in the organization of the club, was the first president. Since its organization the club has purchased four sets of band uniforms and most of the instruments owned by the school. Awards are made annually to the senior students in the band for outstanding talent in music.

The EXCHANGE CLUB has sponsored and completed many activities during the year. Topping the list is the establishment of a loan fund for furthering the education of deserving boys and girls of the township. Through ceremonies at various times of the year, the club honored "the boy and or girl of the month"; provided a trophy to be presented to the winner of the high school's annual Football Turkey Classic; sponsored a dinner for the basketball team for playing in a charity game; honored pupils of outstanding achievements in the Senior Class.

The LAY ADVISORY COMMITTEE is a new organization originated in our township by the Board of Education for the purpose of acquainting and orientating the public with problems confronting the School Board. The members of this Committee are representatives of the various civic and educational organizations of our community who meet monthly to hear talks and enter into open discussion on the business at hand.

The PARENT-TEACHERS ASSOCIATION would like to present its objectives to the readers of "The Whitehall." Some of these are: To promote the welfare of children and youth in home, school, church, and community; to raise the standards of home life; to bring into closer relation the home and the school; and, to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

THIRD ROW: Paul Krempasky, Mgr.; Oliver Resh, Mgr.; James Nickel, Mgr.; Robert Snyder, Larry Nero, Richard Tacker, Gerald Oswald, Francis Bednarcik.

Football

Lehigh Valley Co-Champions

Had anyone been so bold as to predict that Whitehall's 1952 football team would finish in a first place tie, he would have been deemed a fit case for the psychiatrists. After losing two of the first three games — both independent — the Zephyrs fought back to be the first football team in the history of Whitehall to become Lehigh Valley Co-Champions.

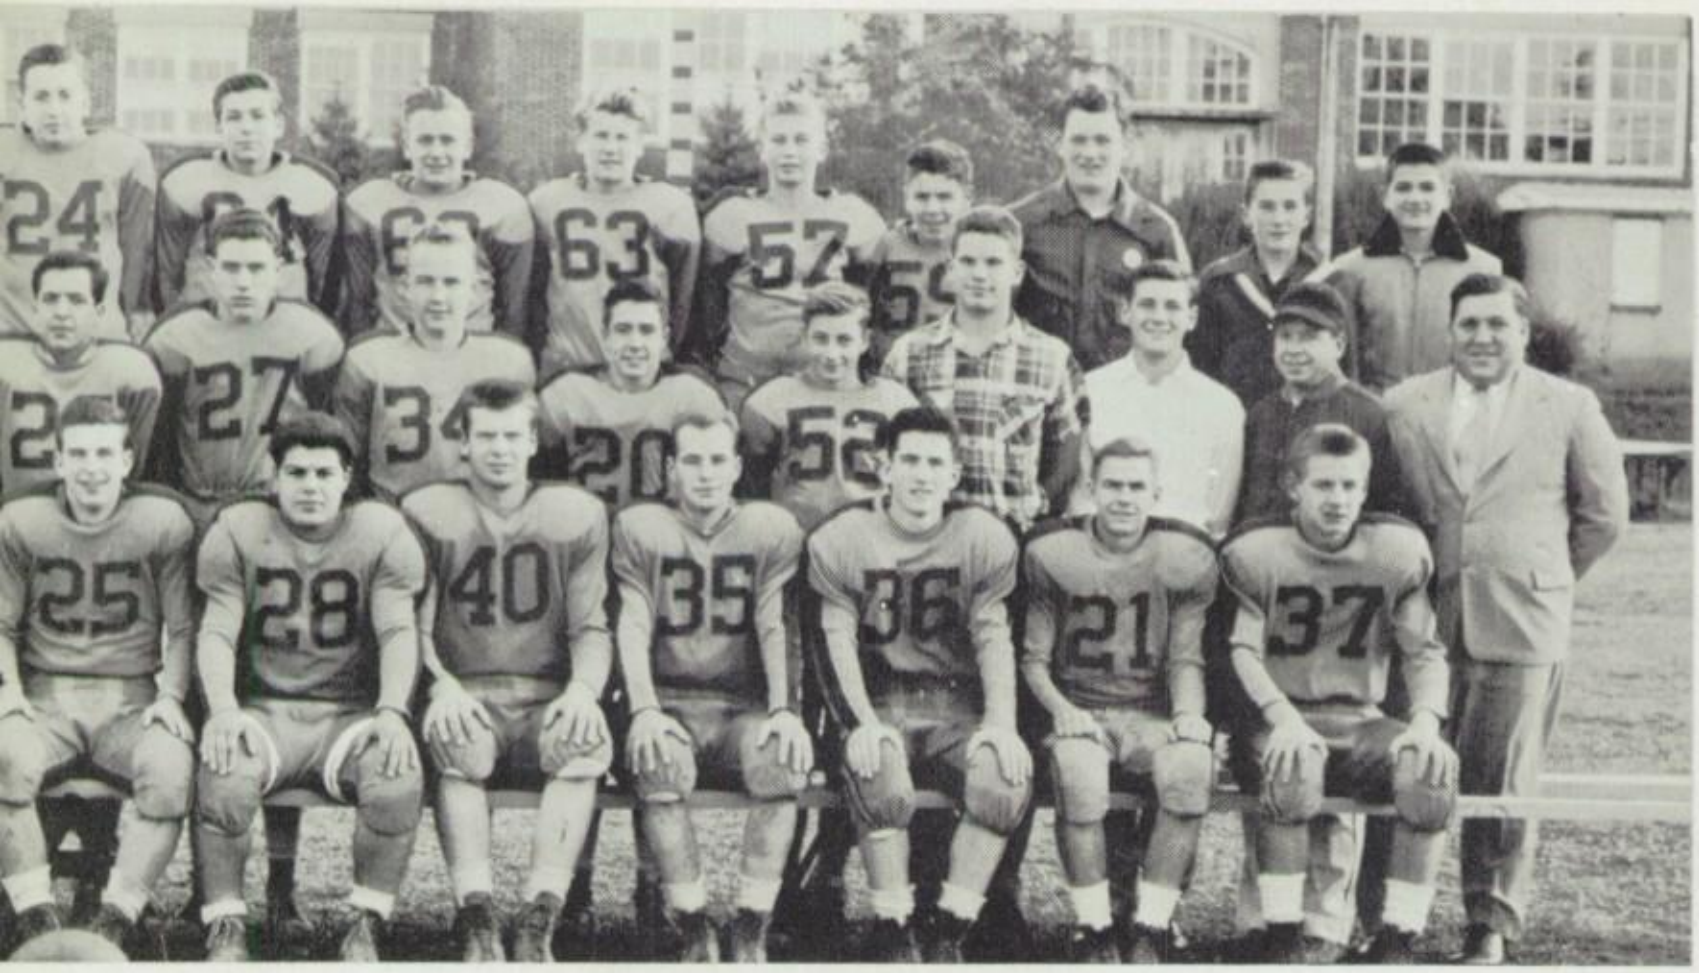
QUAKERTOWN: In the first game of the season the Zephyrs were nervous and were beaten by a letter-studded Quaker team 27-0.

PALMERTON: After the Blue Bombers scored on the first play of the game, the Zephyrs broke loose for two touchdowns in the last quarter to take the league opener 14-6.

NAZARETH: After a slow first half the Blue Eagles capitalized on the breaks and beat Whitehall 19-0.

NORTHAMPTON: Chosen to rule the roost without challenge the Konkrete Kids had to settle for the second straight year with a 14-14 tie. Although Whitehall went into the game as the underdog the Zephyrs were disappointed as they led at half time 14-0.

LEHIGHTON: The Zephyrs encountered a surprisingly strong team during the first half as they entered the game assuming it was more or less a practice game. As a result they left the field at half time trailing 13-12. However, in the second half they played a determined game and easily won 33-12.



FIRST ROW: Richard Keiser, George Solomon, George Moats, Donald Buss, David Kratzer, Richard Merkle, Ronald Schuler. SECOND ROW: Barry Sottolano, David Way, Michael Payonk, William Marks, Donald Snyder, Rene Fisher, Roland Hahn, Sr. Mgr.; Mr. Steckel, Assistant Coach; Mr. Bartholomew, Assistant Coach. THIRD ROW: Edward Motsko, Robert Klock, Jack Hartzell, James McFetridge, Benjamin Kovalcik, James Solomon, Elwood Heffelfinger, Mgr.; Charles Herman, Mgr.; Ross Dimler, Mgr.

STROUDSBURG: With two minutes left to play the Zephyrs were trailing 14-13 when a play which fans read about but seldom see — a forward pass — triple lateral — produced a touchdown before the third lateral. The storybook finish gave Whitehall a 20-14 victory.

SLATINGTON: After being held scoreless during the first period, the Zephyrs scored in the second, third, and fourth quarters. The highly-rated Slatington team lost by a score of 20-0 on the Zephyr's home field.

CATASAUQUA: The Zephyrs took the opening kickoff and on the first play of the game fullback Berner raced for 58 yards and a 6-0 lead. Playing in ankle-deep mud the Zephyrs allowed the Rough Riders one touchdown while scoring three to win 20-6.

EMMAUS: Merkle ran 60 yards on Whitehall's first play in the first minute of the game to lead 6-0. Emmaus in the second quarter took the lead 7-6. With a flurry of 21 points in the third quarter Whitehall trimmed the Green Hornets by a 27-7 count.

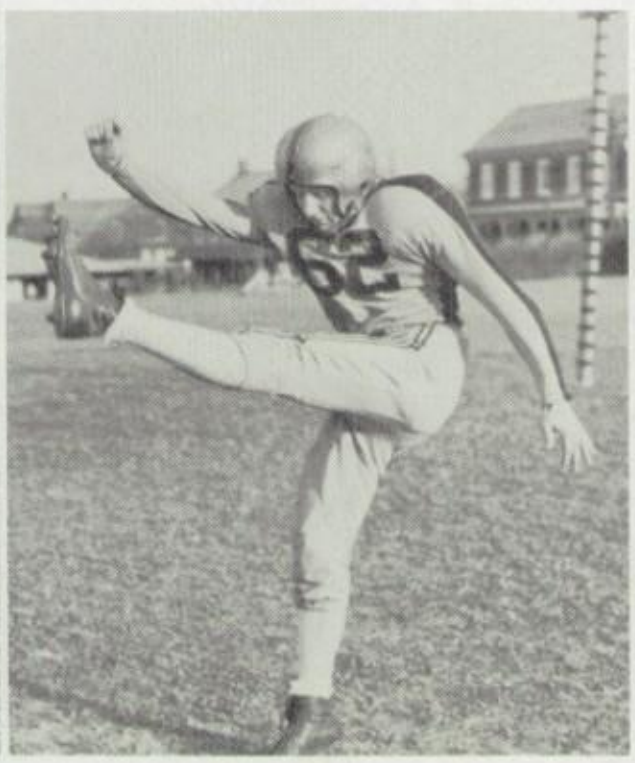
End



William Hartzell
Kicker

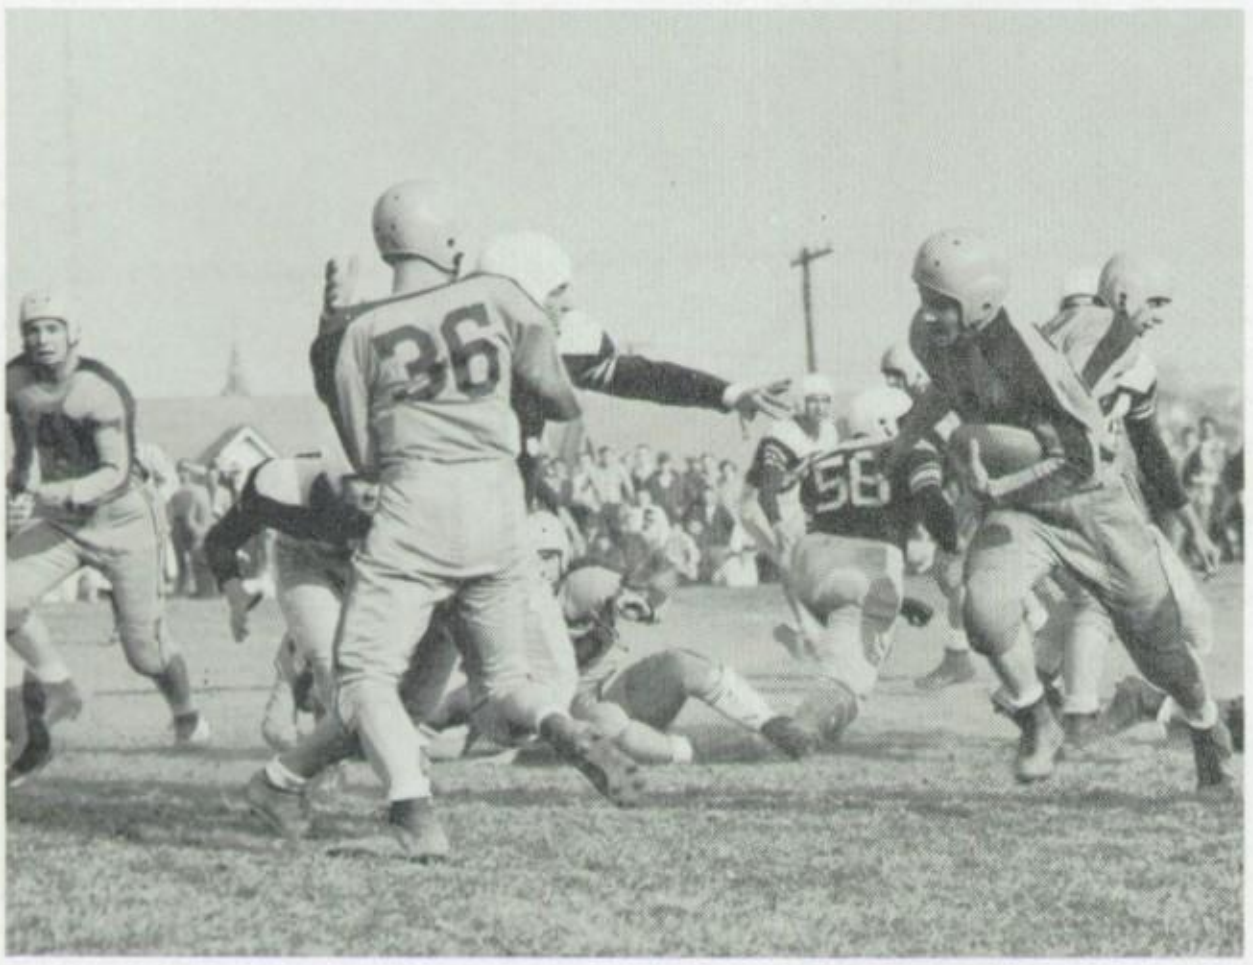
William Lucci
Guard

The senior members of the 1952 football squad are very happy to have played on the first team to bring a co-championship in football to Whitehall. We hope that the 1953 team will bring even greater victories to Whitehall and be the first team in the school's history to attain the Lehigh Valley Championship.

Neil Hittinger, George Solomon,
Buddy Edwards, William Hartzell,
William Lucci.

Gridiron

Berner stopped after a ten yard gain.



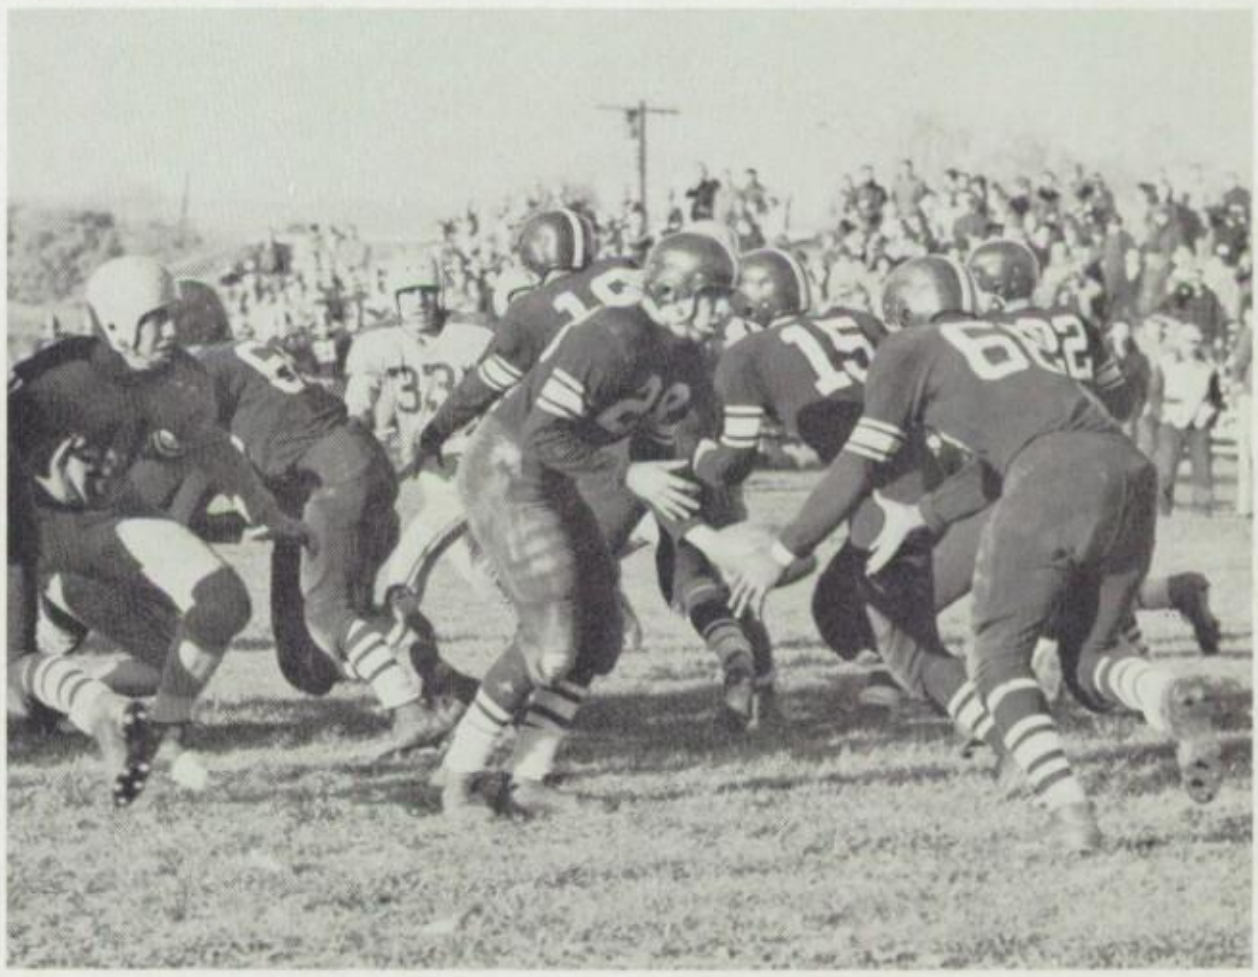
Nice block by Kratzer (36) as Koze goes for a thirty-yard touchdown.

Merkle (21) going for short gain.

Action

Solomon (28) intercepts pass as German (30) comes in on play.

Hittinger (41) comes in for tackle as Berner (33) backs line.



Keiser (25) in a mad scramble.

FIRST ROW: Gerald Gillespie, Buddy Edwards, James Coombe, Richard Keiser, Richard Merkle. SECOND ROW: Mr. Steckel, Coach; Conrad Weiser, Thomas Lukish, Neil Hittinger, Alfred Yost, Charles German, Richard Berner, Stephen Pristash, Mgr.

Basketball

Coach Robert Steckel, though having only three lettermen from the 1951-52 season, made the best of the situation, and the team finished the season with a record of twelve games won and ten games lost.

With the end of the first half the league was in a three-way tie. Palmerton drew a by and Emmaus beat Whitehall 61-47. Emmaus then defeated Palmerton to take the first half. In the second half Whitehall was out of the race, with Slatington and Palmerton tie for top position. Slatington went on to defeat Palmerton and then Emmaus to take the Lehigh Valley Championship.

The team during the year was led by co-captains Jim Coombe, Al Yost, and Charlie German. Tom Lukish was high scorer with 300 points, and Charlie German second with 296 points. At the close of the campaign German was named to the Lehigh Valley League All-Star Team.

Only two boys are lost through graduation—Coombe and Yost. This leaves Whitehall with seven lettermen returning and a bright outlook for next year's varsity squad.

* First half play-off

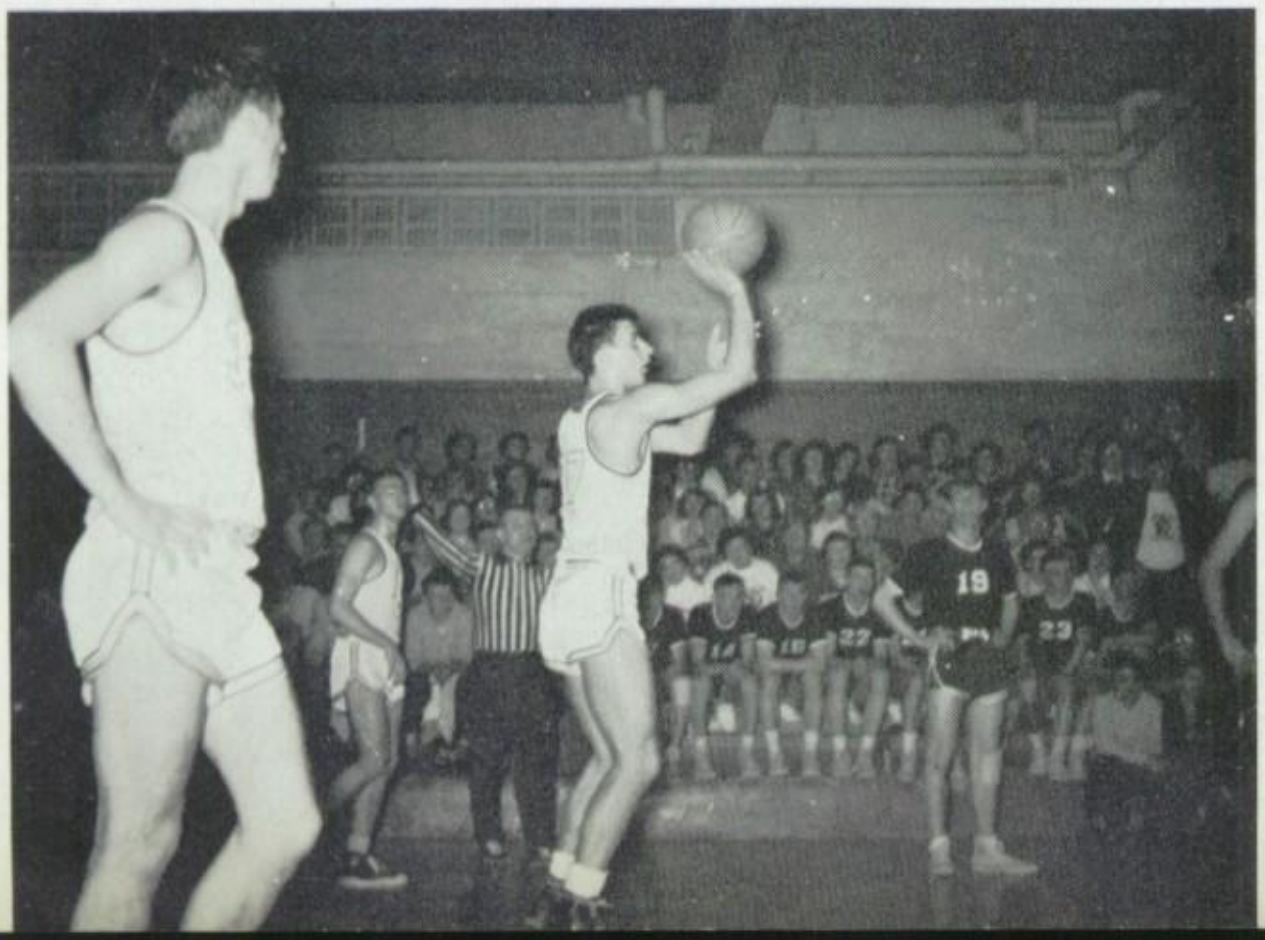
With probably the most experienced players returning in several years we are quite confident their accomplishments will be comparable to that of the 1948-49 season.

James Coombe and Alfred Yost

Court

One minute to go—hold that lead!

Lukish (9) takes push shot as Coombe (3) follows up.



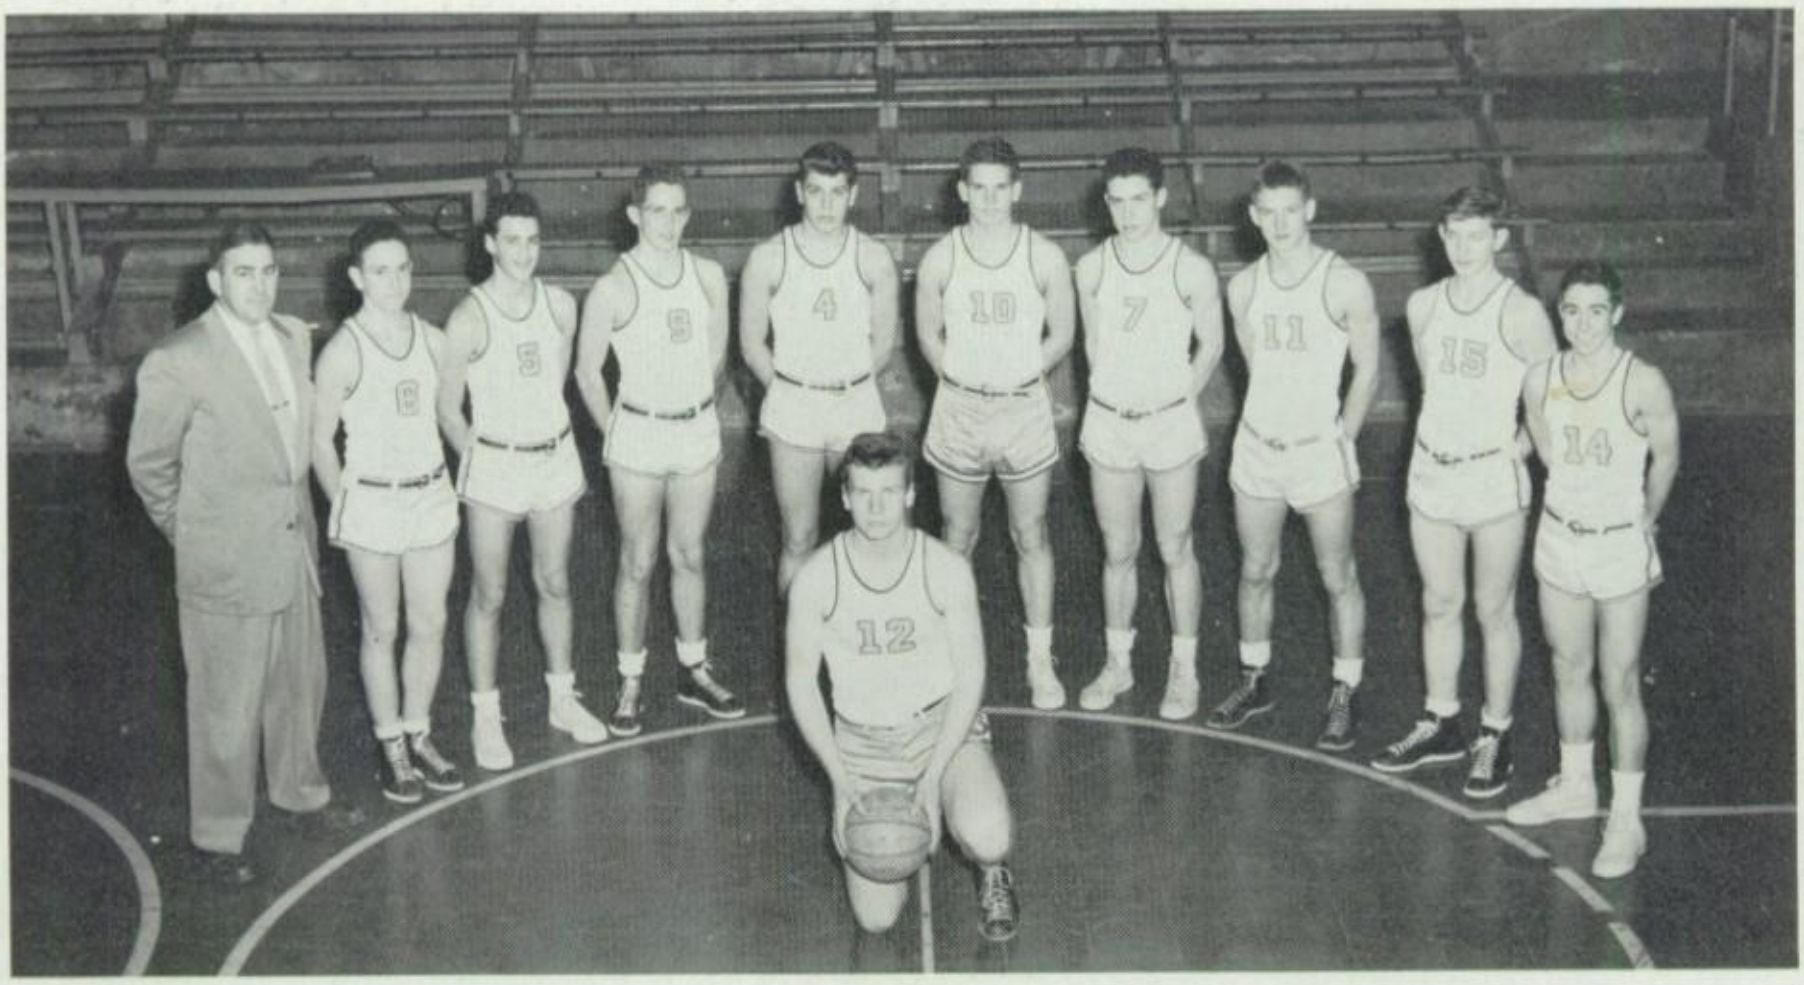
Foul shot by Lukish (17)

Action

Merkle (74) gets tap as Yost (97) moves in on play.

Yost (97)—Well, How do you like that!

Lukish moves into pivot.



George Moats, kneeling; Mr. Piff, Coach; Andrew Brusko, Larry Nero, Anthony Sousa, Charles Roth, Rene Fisher, David Way, Ronald Schuler, Richard Bandle, William Marks.

Jay Vee

For an inexperienced team and with only a few practices before the season began, the team did very well during the first-half losing only one league game. However, when Moats and Marks were moved up to the Varsity, the team lost some of its polish and the team did not fare as well. Many of these boys will be valuable to the well-experienced Varsity members returning next year.

Baseball

Considering the lack of returning lettermen the team had a fairly successful season. The team was dominated by Juniors this year who had little experience. The lineup during the year showed Bill Klimeck, first base; Jim Herman, second base, Walt Fedio, shortstop; and Connie Weiser, third base. The outfield was composed of Bill Marks, left field; Al Yost, center field; and Ray Tremba, right field. Charlie German handled most of the catching while Jim Coombe, Dave Way and Jerry Fabian took care of the pitching.

Only two men will be lost by graduation—Yost and Coombe. Since Whitehall will have a bulk of experienced players next year, they are expected to be a baseball power in the Lehigh Valley League.

Seniors James Coombe and Alfred Yost.

Track

"Long-winded Zephyrs in short pants" described our track team although they finished in third place in the Lehigh Valley Interscholastic League. Merkle was usually unbeatable in the sprints—the 100, 220, and 440—and Berner operated the same way in the longer trips—the 880 and the mile.

Neil Hittinger, who lofted the shot put 46 feet, 10½ inches in the Emmaus meet, set a new record for Whitehall. He also held the old record. Moats was the man to beat with the discus, and Lukish in the pole vault event.

In the L.V.I.A.A. meet Palmerton and Lehighton ended in a tie with 35 points each, and Whitehall finished third with 18 points.

Next year Whitehall trackmen will be without the services of six seniors, and will particularly miss the ability of Neil Hittinger. However, the number of lettermen returning should be sufficient to make next year's team the best in Whitehall history.

Seniors Richard Kuntz, Daniel O'Donnell, Russell Peacock, Neil Hittinger, Arthur Steffie, and Buddy Edwards.

FIRST ROW: Judith Hodes, Mgr.; Irene Missmer, Immaculate Shambo, Mary Ann Bohar, Mabel Kern, Dorothy Henits, Shirley Churetta, Mgr. SECOND ROW: Janet Mondrick, Barbara Wescoe, Eleanor Handwerk, Faye Moyer, Virginia Kochenash, Ann Wavrek, Carol Barrett. THIRD ROW: Barbara Quigg, Sally Reidy, Marilyn Schaeffer, Mildred Birosik, Anita Stoudt, Betty Wieand, Darlene Galgon, Mgr.

Girls' Basketball

The Girl's Basketball team was coached by Mrs. Donio, and the senior members of the team —Mary Ann Bohar, Eleanor Handwerk, Dorothy Henits, Mabel Kern, Faye Moyer, Immaculate Shambo—took turns at being captains.

The highest scorer for the season was Ann Wavrek with 188 points, Virginia Kochenash second with 149 points, and Mabel Kern and Dorothy Henits tied for third place with 57 points each.

Girls' Baseball

Over forty girls answered the call for candidates for the girls' baseball team. After several weeks of practice the team was ready for competition. Those girls seeing most action were: Mildred Birosik, Mary Ann Bohar, Joan Bortz, Dorothy Churetta, Darlene Galgon, Nancy Geiger, Patricia Geiger, Sallie Graumenz, Rosellen Helfrich, Virginia Kochenash, Doris Kressley, Dorothy Krupa, Renae Kunkle, Phyllis Lorah, Faye Moyer, Sally Oswald, Sally Riedy, Barbara Quigg, Freda Schadl, Immaculate Shambo, Ann Wavrek, Barbara Wescoe, and Betty Wieand. Coach Steckel chose to keep this many girls on the squad because of the keen interest the girls displayed in the only spring sport that is offered them.

Cheerleaders

Our cheerleaders are the peppiest aggregation that ever spurred Whitehall athletes to victory. Only through their untiring efforts could our teams realize that they had the support of our entire student body. Their calls and capers were a tonic to morale and spirit, especially in football season when the weather was so unfavorable that only the players, a few brave spectators, and the cheerleaders ventured out on the field. The entire group lent color to all our favorite sports.

Chants and Tom-toms

The Messiah is presented at the annual Candlelight Services.

Concert Choir

Whitehall's Concert Choir, under the direction of Mr. Lewis Howells, established a precedent this year in presenting the Christmas portion of the Messiah in the annual Candlelight Services. We know of no other high school in this area that has undertaken such a task.

It has presented concerts in many of the churches of the community and appeared on various radio programs. It also participated in the Eastern District Forensic Contest where it received the highest chorus rating. Thirteen members participated in the Eastern District Chorus Festival in Minersville, and Joyce Faix was chosen for the All-State Chorus Festival held at Kittanning.

Here at Whitehall, the choristers also made several appearances in various assembly programs, the

FOURTH ROW: Michael Payonk, James Bechtold, Neil Zimmerman, Myron Harbove, Edward Stetz, Frank Genovese, Robert Oswald, Thomas Barnes, Ronald Schlauch.

annual Spring Concert, and Commencement exercises.

The Harmoneers, Chordettes, and Mixed Quartet are all members of the Concert Choir. In addition to their contributions to the choir, they have rendered their services to the school and community on many occasions when there was a request or need for smaller groups of talented songsters.

Looking to the future, Mr. Howells has organized the ninth grade girls, known as the Kaydettes, so that they will have training and experience before joining the Concert Choir.

Whitehall's Concert Choir and organizations closely related to it, with pride and satisfaction, look forward to still greater years.

FIRST ROW: Sandra Walters, pianist; Lillian Stopay, Catherine Druckenmiller, Claire Ross, Jeanette Weber, Diane Andrews. SECOND ROW: Mary Ann Solderich, Dorothy Krupa, Mary Ann Andrusky, Elizabeth Payonk. THIRD ROW: Anna Deutsch, Jane Steinmetz, Theresa Tomasic, Jane Bachman, Barbara Ruch.

Band

Under the direction of Mr. John Walter, the Band has risen to a very prominent position in the Whitehall picture. As usual, the practice of formations and marching was the chief time-consumer during football season. Other events rounded out a full fall schedule as the band participated in many Halloween parades and in Armistice Day Services and parades.

Marlene Beltz, Douglas Edleman, Donald Kohler, Stanley Moyer, Marlene Schultz, Gerald Stewart, Lucy Stewart, and Herbert Stoudt attended Eastern District Band held at Central Catholic High School in Allentown. Marlene Schultz was chosen for State Band held at Sayre, and Douglas Edleman participated in the State Orchestra held at Sharon.

During the second semester preparations were made for the annual Spring Concert, Memorial Day Services, Commencement, and the Fireman's Parade.

Members of the Band are also organized in various other musical activities. The Dance Band held its annual Turkey Trot which is considered a Homecoming dance, and also played for several class dances. The Clarinet Quartet participated in the Eastern District Forensic Contest while the Brass Choir busied itself preparing for the annual Candlelight Services. The two latter groups presented many entertaining programs for school and civic meetings.

The Band and other instrumental organizations hope to continue to gain in stature, individually and as groups, in the life at Whitehall.

Color Guards and Majorettes

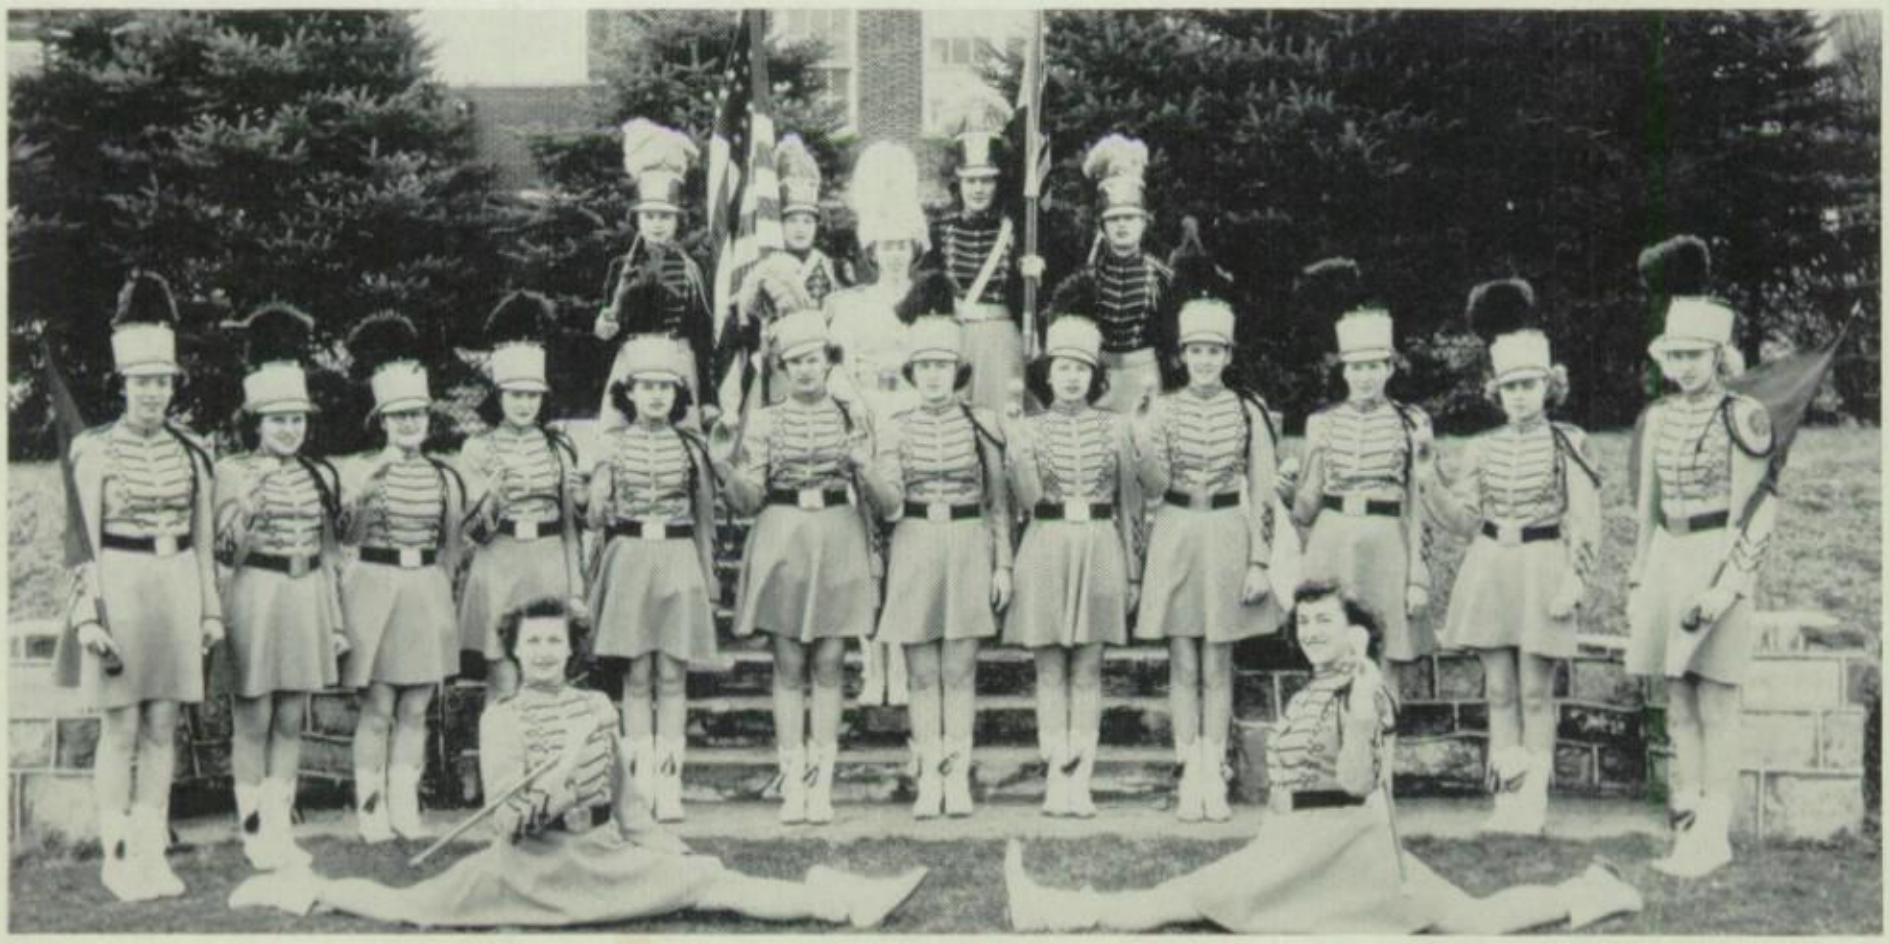
Our snappy color guards are the first to be seen in any parade in which the Whitehall Band participates. Their flags flow freely and proudly to represent our country, state, and school.

Following these girls is our head majorette—Jean Bult— who was most deserving of this honor. She has shown her ableness and capability throughout the year. Jean leads twelve other majorettes whose talent and ability are unquestionable. Included in this group is Joyce Roth, the acrobatic tumbler, who has received many awards for her talent in television and various shows. She has brought much glory to our Whitehall Band.

Then comes our Drum Majorette, Elaine Nothstein. She has the responsibility of the entire band upon her shoulders. Her alertness and accuracy has made the band appear always at its best.

The Whitehall Color Guards, the Majorette Corps, and the Drum Majorette make up an important part of the maroon and gold clad marching band. Their strutting, the contrast of color they give the maroon band uniform, the attractive appearance they make are of doubtless value to the Whitehall Band.

FIRST ROW: Joyce Roth, Beverly Schuler. SECOND ROW: Joanne Finnegan, Cordell Quigg, Rita Kulhamer, Patricia Miller, Margaret Wagner, Jean Bult, Ann Wavrek, Sally Riedy, Patricia Vaughn, Marie Johns, Marie Smicker, LaNelle Lovelace. THIRD ROW: Jeanne Kern, Corina Mumper, Elaine Nothstein, Nancy Void, Mary Ann Bohar.



The Whitehall Marching Band will be without the services of these seniors next year. They wish the band continued success in the future.

the forty-ninth class graduates

John Brokloff and Lorraine Smicker received first and second honors respectively.

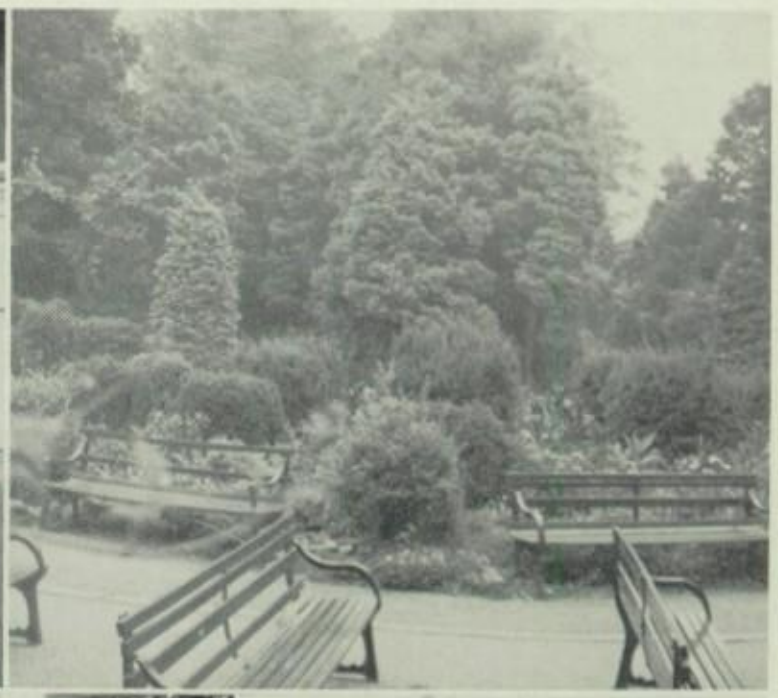
Marianne Wasko presents corsage to a member of the class of 1919.

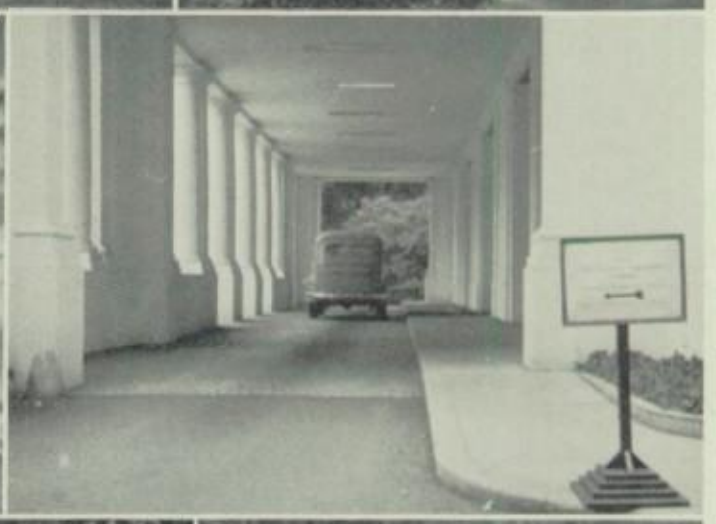
The graduation exercises took place in the Lehigh Valley Cooperate Farmers' Auditorium.

Concert choir sings "You'll Never Walk Alone".

Dr. Robert D. Hershey, commencement speaker, takes time to talk with George Solomon, Lorraine Smicker, and John Brokloff.

June . . .Senior class trip





Washington, D.C.

June . . . the activities whirl becomes a dervish

Marianne Wasko is winner at Lebanon for final competition at Hershey as Rose Queen.

Donald Buss and Connie Makovsky present dance programs to James Coombe and Theresa Tomasic.

Daryl Hetrick and Paul Wolf take time out for refreshments.

Senior Farewell

Neil Hittinger helps Elaine Lorencik with her stole.

Also greeted by the juniors are Eleanor Handwerk and her escort.

Traders

Mr. Kruse, Cashier, is visited by Paul Wolf, Frank Genovese, Corina Mumper, and Daryl Hetrick.

THERE IS NO SUBSTITUTE *for* EXPERIENCE

It cannot be dispensed with . . . or substituted for . . . It should be of first consideration in every important undertaking . . . We mean experience . . . the specialized experience such as we offer in the field of School Annual photography . . . That is why year after year, we have been honored by being chosen Official Yearbook Photographer by many leading Schools and Colleges . . . Getting out a Yearbook is a once-in-a-lifetime undertaking. . . It is therefore good to know that there is available to you all the experience that is necessary to meet this unusual emergency . . . You'll find our organization skilled and resourceful . . . our facilities and resources ample to meet every problem connected with Yearbook Photography.

Just one more thing . . .

Before closing the 1953 edition of the WHITEHALL we would like to express the hope that all have been pleased with the pictorial and verbal record of Whitehall High School, 1953. It was designed to please the student body, not only for the present, but also for all the years to come as a recall of pleasant moments and associations during high school days.

We would like to take this opportunity to thank sincerely all who have in any way aided in the publication of this book. In particular . . .

Mr. Bob Albertson and Mr. Mike O'Bradovich, and all the employees of the American Yearbook Company for their patience with our ignorance and gracious co-operation in the last minute rush;

Zamsky Studios for their time and effort in accommodating us in taking pictures, which, of course, are the heart of any yearbook;

Mr. Kenneth Clauser, Allentown Call-Chronicle photographer;

The members of the Whitehall Staff for their co-operation and fidelity to their respective jobs even at the expense of class preparation;

And Miss Lazarus, our yearbook adviser.

Beverly Schuler
Editor-in-chief.
